97. Cemaes Head

96. Friendship

98. From Cemaes to Ceibwr

About the artist. I am currently living in Pembrokeshire in West Wales in relative seclusion. I have tended to go away every now and then over the years to explore contacts to do with my work with mandalas and also to keep in touch with friends and have a change of scene though not so much in recent years. More details are available on my web site or inside this leaflet.
